

PMI and Qld Chapter

The Project Management Institute (PMI) is a non-profit professional association founded in 1969. PMI has over 318,000 members in 171 countries. There are over 41000 members in the Asia Pacific region.

PMI develops practice standards for project management and awards credentials (CAPM, PMP, PgMP and others) to project management practitioners who meet specified knowledge and experience criteria. These standards and credentials are recognised worldwide.

The Queensland Chapter (PMIQ) is the local organisation of PMI supporting PMI Members.

PMIQ Mission Statement

To advance the practice, science and profession of Project Management across Queensland, within the Australian cultural and Global PMI contexts.

Our goals supporting this mission are to:

- Provide professional development services to our members through the PMIQ community and through partnerships, including:
 - Developing Project Managers
 - Achieving PMP Certification
 - Accumulating Professional Development Units (PDUs)
- Promote the value of the PMI, PMP and CAPM brands in the Queensland marketplace
- Build a viable professional network for Project Managers through the PMI Queensland Chapter

Benefits

Member Benefits

In today's business environment, as a project manager you are no longer judged for your loyalty and seniority but by the way you deliver on your projects. Whether you are an employee of an organisation, a contractor or a consultant, you must demonstrate professionalism to succeed. Leading and contributing to project teams that achieve notable results on projects positions you as a valuable asset.

Membership in PMI provides many opportunities to advance your project management knowledge and skills. Many project managers have used their PMI membership and certification to advance professional and career objectives. In addition to offerings available to the general public, the benefits of PMI membership include access to members-only services as well as discounts on many of PMI's valuable products and services.

Specific benefits of Chapter membership include:

- A copy of the "Guide to the PM Body of Knowledge" (PMBOK) and other practice standards, for personal reference
- Monthly meetings with a guest speaker, exploring topics of interest to PMs, and providing networking opportunities
- Support for members seeking PMP and CAPM Certification, eg Study Groups, Coaches, hosting exams in Brisbane. Currently free to chapter members
- Opportunity to participate in the Mentoring Program
- Chapter Newsletter
- Opportunities to volunteer in Chapter events

For full list of benefits, see www.pmi.org.
